+233249007664 | jacobkyeibaffourgyamfi@gmail.com | Accra, Kumasi, Ghana |

**Summary:** A highly motivated **Computer Science and Engineering student** passionate about technology and innovation. Currently pursuing a Bachelor's degree at the University of Mines and Technology (UMaT), with a strong foundation in general science. Proven ability to learn and adapt quickly. I am eager to gain hands-on experience in **software development, data analysis, and computer systems design**. My academic background and practical internship experiences have equipped me with a solid foundation to contribute effectively to any tech-focused and other organisation.
